Release of Niue and The Kingdom of Tonga ENC's

To improve ENC coverage in Tonga and Niue, New Zealand (NZ) has announced that it is changing the country codes of some ENCs from NZ to NU (Niue) and TO (The Kingdom of Tonga).

The new ENCs will be included in next week's release of AVCS, WK21/20. The changes will soon be available in PRIMAR as well (no dates confirmed).

Pricing of these ENCs will remain as per the NZ price, and they are supported by PAYS.
